CUSTOM PRINTS

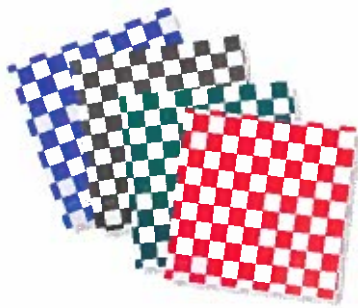

Handy Wacks Specializes in Random Prints which are available in one, two, or three colors. We have various grades of paper available:

- Paper is available in Interfold and Flat Sheets.
- Our Dry Waxed Deli is available in: White and Natural Brown
- Our plate charges are as follows, unless prints are existing:
 - 1 Color Print - \$550.00 One time charge
 - 2 Color Print - \$650.00 One time charge
 - 3 Color Print - \$750.00 One time charge
- Our minimums are as follows:
 - 1 Color Print - 30 Cases
 - 2 Color Print - 40 Cases
 - 3 Color Print - 50 Cases
- We provide art proofs and utilize quality printing plates.
- We prefer .ai, .eps, or .pdf files if possible.
- There is a 50% maximum ink coverage and maximum line screen of 120 lpi.
- We mix our own ink and use uncoated PMS numbers.
- Our ink components are FDA approved.

Green Wacks

GREEN WACKS EARTH FRIENDLY WRAPS

Handy Wacks is proud to introduce a new line of Earth Friendly Deli Paper: These products will help lessen the amount of unwanted chemicals that go into our landfills. The paper is chlorine-free. The wax has been reformulated, adding soy to the blend, therefore decreasing the amount of petroleum. The packaging utilizes 100% recycled paperboard.

Glossary

BASIS WEIGHT:

The weight in pounds of one standard ream of paper, specifically 500 sheets at 24"x36"

BIODEGRADABLE/COMPOSTABLE:

Material that, left to itself, will be decomposed by natural processes.

BUTCHER PAPER:

An uncoated bleached (white) paper available in MF (Machine Finished), in a 40-pound basis weight sheet.

COATINGS:

Wax, color, etc.

CUSTOM PRINTS:

Your company's logo or custom design available in one, two, or three colors.

Printed on dry wax sheets.

DRY WAX:

A thin layer of wax applied to one side of the paper and absorbed into the sheet.

This paper has added wet strength.

FLAT SHEET:

A sheet packaged with no folds or creases. Range in dimensional sizes of 4 ¾"x4 ¾" to 20"x22".

FOIL INSULATED SANDWICH WRAP:

A spot laminated octagon design wrap which provides excellent heat retention and deadfold.

FREEZER PAPER:

A polyethylene coated paper used for wrapping and freezing all types of meats, fish, and poultry.

Available in white and natural paper.

GREASE RESISTANT:

Paper that has very good oil and grease resistance.

GREEN WACKS:

Our natural series, which is environmentally friendly, chromium and chlorine free.

INTERFOLDED:

Sheets folded into each other in an easy dispenser box. Made at a length of 10-3/4" and widths range from 6" to 15".

KOSHER:

Products which conform to Jewish dietary law.
All Silicone and Quilon pan liners are all certified by Star K.

MF:

Machine Finish.

MG:

Machine Glaze.

PATTY PAPER:

A hygienic paper used between meat patties, cheese slices, and thin cooked meats.

POLYETHYLENE FILM:

A high-density film that has strong grease and moisture resistant characteristics.

QUILON:

A pan liner coating that provides good wet strength and release.
A one use liner.

RELEASE:

How a product separates from the material being used.

SCALE PAPER:

A waxed sheet that is placed on a scale to prevent food from touching equipment when weighed.

SHEETING:

The process of transforming a roll to a flat sheet of any given dimensional size.

SILICONE:

A high heat resistant pan liner as compared to Quilon. A two to three use liner.

STEAK PAPER:

A paper used between pieces of fresh meats. Used to display in refrigerated displays as well as used to wrap meats. This paper has a basis weight of 40-pounds.

STOCK PRINT:

A variety of prints available on dry wax sheets. Available in flat and interfolded sheets.

WET STRENGTH:

The strength of the paper after being saturated with water.

WVTR:

Water Vapor Transmission Rate.
The rate at which a material can withstand water vapor penetration.

The top of the advertisement features a blue background with a white diamond pattern. A red oval logo with the words "HANDY WACKS" in white, bold, sans-serif capital letters is centered. Below the logo, a decorative bunting banner stretches across the width of the page. The banner is divided into four sections: the first has a white background with orange sun and green palm tree patterns; the second is a folded newspaper clipping with the headline "Allegations Of 'Fish Stories' For The Course At Local Events"; the third has a white background with a red and white striped American flag pattern; and the fourth has a white background with red and yellow chili pepper patterns.

**HANDY
WACKS**

KEEPING THE FOOD SERVICE INDUSTRY FRESH

The bottom section of the advertisement features a decorative bunting banner with four checkered patterns: green and white, black and white, blue and white, and red and white. Below the banner is a solid red footer area containing the company name and contact information.
